PROGRAMME:

Following Simon Green's excellent talk to the Society in October 2016, we resolved to visit Dumfries House. Restored under the stewardship of Prince Charles around 2008, the Adam designed house is set in 2,000 acres. The 18th-Century Palladian House has an unrivalled collection of Chippendale furniture, as well as examples of work by Scottish cabinetmakers of the 18th century. The estate now offers a diverse educational programme focusing on employability skills, and has recently opened many woodland walks and the newly redesigned Queen Elizabeth Garden.

The coach will depart from Bewick Street, Newcastle upon Tyne at 07:45. We will pick up at Corbridge Car Park at 08:10 and Brampton town centre at 08:55. A public WC is available at Brampton. We are booked in at Dumfries House at midday for a Grand Tour followed by a soup and sandwich lunch at 13.30. We will have time for a good look around the gardens etc. before a 15:40 departure. We will get back to Brampton for 18:10, Corbridge for 19:00 and Bewick Street for 19:30.

Please return booking form to: Leslie Starkie, 11 St Leonard's Walk, Morpeth, Northumberland, NE61 3SZ.
